

**REGISTRATION REQUIREMENTS TO PROVIDE
COMPETITIVE INTRALATA TOLL IN NEW HAMPSHIRE**

Competitive toll providers shall file with the Commission:

1. One copy of registration application (provided on next page).
2. One certified copy of the N. H. Secretary of State Certificate of Authority to transact business in New Hampshire.
3. One original and one copy of the CTP initial tariff or rate schedule.

***** ONLY COMPLETE APPLICATIONS WILL BE ACCEPTED AND PROCESSED *****

Please send all correspondence directly to:

Attention: Diane Bateman
New Hampshire Public Utilities Commission
8 Old Suncook Road
Concord, New Hampshire 03301-7319

If proof of receipt is required, please include an extra copy of the cover letter along with a stamped, self-addressed envelope.

The company shall notify the Public Utilities Commission in the event it no longer intends to conduct business in the state of New Hampshire. Authorization to provide intraLATA toll service shall not be transferred without prior approval of a petition from the existing provider requesting the transfer, and the actual date of transfer.

Please refer to Order No. 22,473, dated January 6, 1997, for further information about registration, tariff provisions and filings for operations in New Hampshire.

SECTION IV

Please provide one certified copy of the **N.H. Secretary of State Certificate of Authority** to transact business in New Hampshire.

Please provide a written statement, signed under the penalties contained in RSA 641:3, relating to unsworn falsification, by an individual authorized to represent the CTP, certifying:

- 1) To the truthfulness of the material provided in the application; and
- 2) That the CTP will comply with all applicable statutes, administrative rules and orders of the Commission.

Please provide **one original** and **one copy** of the CTP's tariff or rate schedule.

Once a CTP has provided the applicable material required in this registration application, the Commission shall, unless denied, issue a certificate of authorization which shall allow the applicant to provide CTP service.

Any certification of authorization obtained by a CTP shall be non-transferrable.

Each CTP shall notify the Commission in writing within 10 days after any material change in the registration information required.

SECTION V

Denial of Registration.

Upon a finding by the Executive Director and Secretary of the Commission that there is evidence to support a denial of the registration application, as set forth below, the Commission shall:

- 1) Notify the applicant in writing of the basis for denial of the registration application;
- 2) Confirm the date that the documents filed by the applicant were received as a formal application for registration; and
- 3) Give notice of a hearing to be held within 120 days of receipt of the registration application (RSA 541-a:29, II).

The Commission shall deny an application for registration and/or impose one or more of the restrictions if it determines that:

- 1) The applicant and/or its key personnel have:
 - a. Committed an act that would constitute good cause to find a violation of authorization;
 - b. Been convicted of a crime as described in Section II of this application;
 - c. Knowingly made a material false statement of fact in the application; or
 - d. Demonstrated on its application materials such flagrant and/or repeated violations of the requirements to operate as a utility and/or a CTP in other state(s) that the Commission determines that it is not in the public good to allow registration; and

- 2) The crime or act referred to in Section II is substantially related to the qualifications, functions or duties required to provide CTP services.

The undersigned agrees that the registrant shall abide by the provisions of the State of New Hampshire, Public Utilities Commission, Administrative Rules and Order No. 22,473, Order Delineating Scope of Regulation over Competitive IntraLATA Toll Providers dated January 6, 1997.
